

SUNERO

Sunero Smart Switch Series Introduction

Gernamany Techonology ~ Thiết bị điện tiêu chuẩn Châu.âu

1

M3 Series / M8 series

With-Neutral

SUNERO

M3/M6-for small flat, small villa, apartment

No.	M3 series / M8 series
Features	1, PC/Glass panel, gray, black colors for choice; 2, Imported chip; 3, Customized lazering indication words; 4, copper wiring terminal, good conductivity and good heat dissipation; metal plate, strong structure; 5, 1-6 gang switch key(include scene switch key), universal socket; 6, include smart dimmer, thermostat, control board products;
Available Communication Protocol	Zigbee, KNX, 485, RF433;

Germany Techonology - Thiết bị điện tiêu chuẩn Châu Âu

2

M Series

With-Neutral

SUNERO

M3 RS Series-For big flat, villa

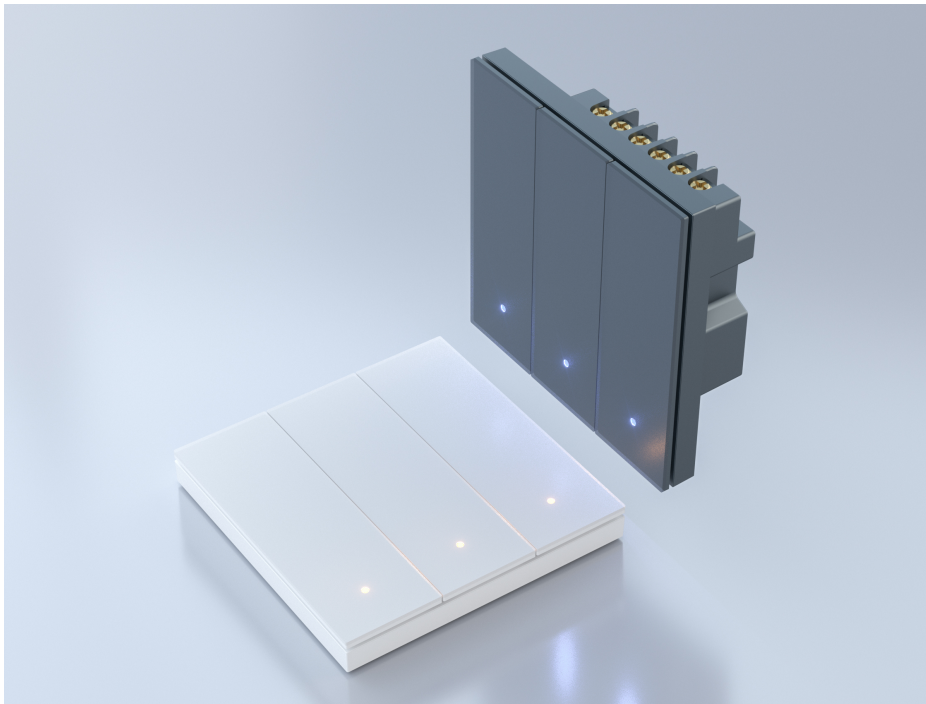

No.	M3 RS series
Features	1, PC/Luxury AG Matt Glass panel, gray, black colors for choice; 2, Imported chip; 3, Customerized lazering indication words; 4, copper wiring terminal, good conductivity and good heat dissipation; metal plate, strong structure; 5, 1-6 gang switch key(include scene switch key); 6, include smart dimmer, thermostat, control board products;
Available Communication Protocol	Zigbee, Bluetooth Mesh

Germany Techonology - Thiết bị điện tiêu chuẩn Châu âu

C3 Series-For Project, wholesale, e-commerce,**renew**

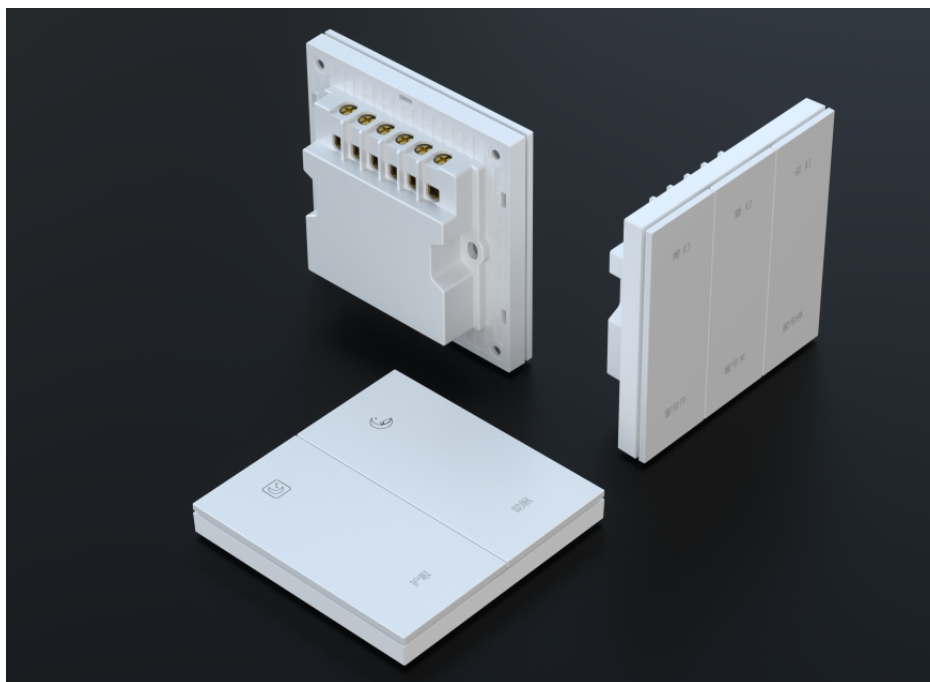

No.	C3 series
Features	1, PC panel, white, gray colors for choice; 2, mouse click button; 3, hold type wiring terminal, suitable for all kinds of wire diameter and no damage to the line; 4, 1-6 gang switch key(include scene switch key); 5, include thermostat product; 6, No-Neutral/With-Neutral self-adaptation;
Available Communication Protocol	Zigbee, Bluetooth Mesh

Germany Techonology - Thiết bị điện tiêu chuẩn Châu âu

L3 Series-For hotel, project, home decoration;

No.	L3 series
Features	1, PC panel, white, gray colors for choice; 2, hold type wiring terminal, suitable for all kinds of wire diameter and no damage to the line; 3, 1-6 gang switch key(include scene switch key); 4, include thermostat product; 5, Combined Power Supply Board and Control Board to be in 1 board, Super thin body and price competitive;
Available Communication Protocol	Zigbee, Bluetooth Mesh

Germany Techonology - Thiết bị điện tiêu chuẩn Châu âu

N20 Series-For flat, project, home decoration;

No.	N20 series
Features	1, PC/Black Glass/AG Glass panel, white, gray, black colors for choice; 2, mouse click button; 3, hold type wiring terminal, suitable for all kinds of wire diameter and no damage to the line; 4, 1-6 gang switch key(include scene switch key),universal socket; 5, include thermostat product;
Available Communication Protocol	Zigbee, Wifi (With-Neutral)

Germany Techonology - Thiết bị điện tiêu chuẩn Châu âu

L8/L9 Series-For flat, home decoration;

No.	L8/L9 series
Features	1, glass touch panel, white, black colors for choice; 2, 1-4 gang switch key, 20A, 40A AC switch, 16A universal socket; 3, include thermostat product; 4, No-Neutral/With-Neutral Optional Choice; 5, Europe back/American type;
Available Communication Protocol	Zigbee, Wifi

Germany Techonology - Thiết bị điện tiêu chuẩn Châu âu

U6 Series-For flat, project, home decoration;

No.	U6 series
Features	1, AG Glass panel, white, gray, black colors for choice; 2, Click button; 3, hold type wiring terminal, suitable for all kinds of wire diameter and no damage to the line; 4, 1-4 gang switch key(include scene switch key), 4 gang with screen optional choice;
Available Communication Protocol	MIJIA(With-Neutral)

Germany Techonology - Thiết bị điện tiêu chuẩn Châu âu

8

8 Keys Smart Switch

With-Neutral

SUNERO

For flat, project, home decoration;

4 Gang+4 Scenes, Stainless Steel
